Other Plating Finishes

- Copper Plating
- Hard Chrome Plating
- Electro less Nickel Plating(ENP)
- Lead Plating
- Trivalent Zinc Plating

10 Ft. Long Bus bar Silver Plating Plant

Keeping pace with emerging technologies....

- Meeting Precision & Demanding needs of various industries like, **Power Sector**, Automobile, Engineering, Plastic machine manufacturing & Textile....
- We are committed to attain and maintain superior quality and meeting customer's exact requirement.
- Our extreme attention for performing best quality norms. We always use high quality equipment, techniques and chemistry to achieve consistently good quality coatings.

ISO 9001:2008 Certified

Well equipped plant, laboratory for chemical analysis and product testing....
